

A huge welcome back to our Pre-school family! We have loved welcoming back the children and getting to know all our new friends. The children are settling back in super and are showing us how happy they are, 'learn to be happy, happy to learn!'

It has been wonderful seeing the children coming in this week in different kinds of dressing up and a pleasure to see the children's love of books developing as they listen to their favourite stories. Thank you to all the parents who have donated and helped make this a success.

Over the next half term the children will be enjoying many activities and learning all about the topics Autumn and 'All about me', plus celebrating Halloween and having our very own 'Spooky bake sale.'

You may have noticed that the children are enjoying a number of new resources. We had a generous donation of one of our Grandparents Debbie, which we have put to good use and the children are loving their new things. Huge thank you!

The pre-school, being a charity, is supported in its governance by a panel of trustees. We have just elected and welcomed 5 new members onto the board of current and past parents. Thank you to Noosh, Kat, Laura, Lucy and Jodie who have joined Mark, Karen and Lauren. Watch this space for new ideas and future development of the Pre-school.

Messages

Can we politely ask parents not to park on the staff car park. We know that parking outside the school, especially in the morning, is busy. However, staff are struggling to park their cars as we are arriving in the morning to find there isn't a space. We appreciate your support with this.

The pre-school is a nut free zone due to a few of our children having allergies. We thank you for your support in helping to keep our friends safe. We also ask that small fruits such as grapes are cut up to prevent a choking hazard.

Reminder... we do provide the children with individual water bottles and they are available to access fresh water throughout the day.

Could all children bring a spare set of clothes into pre-school. This is in the case of any accidents or spills where your child may need to be changed.

If you are not already, please request us as a friend on facebook. We use this to showcase the children's activities and for informative purposes.

COVID Update- In line with government guidance we ask that you notify us of any positive cases of COVID the children have. Children are no longer asked to isolate if a family member tests positive and can continue attending Pre-school. We ask that you are vigilant and help keep us all safe.

Testimonials

We are currently updating our website and would welcome any feedback/reviews from parents that we could use on this. If you are happy with the Pre-school and wish to give your views then could you do so either by emailing Mark at stokeingy@live.co.uk or by emailing the preschool directly.

We appreciate your ongoing support.

Dates for your Diary

Spooky bake sale (information to follow)- Friday 22nd October

Pre-school closes- Friday 22nd October

Reopens- Monday 1st November

Contact Details

Below is a list of ways that the Pre-school can be contacted

Telephone- 01782 642352

Email- trenthampreschool@yahoo.com
